8 Per Week	8 Per Week	2970.00\$

---

## Typical Flight Hours For Pilot Licenses

1. Typical Flight Hours Private Pilot: 60
2. Typical Flight Hours Private & Instrument: 120
3. Typical Flight Hours Private, Instrument, Commercial: 250
4. Typical Flight Hours Private, Instrument, Commercial, CFI: 265

To find out how long it will take to complete, take typical flight hours divided by flight hours per week.

**Example:** Private Pilot 60 hours / 3 flight hours per week = 20 weeks

\*Note: Estimated cost does not include testing fees, books, or sales tax.
